

Chilly bin 45

The 45 Litre huge Chilly Bin cool box uses high density PU foam for insulation. The stylish passive cooler has been independently TUV tested*, ensuring ice remains frozen for over 4 days. This cooler is remarkably spacious and includes roller wheels, elastic retaining clips for storage, and a sturdy handle for easy transportation. *TUV Test Procedure; 40% of cool box filled with ice and left in a temperature controlled room at 25°C. Tested until ice has completely thawed.
